

Astoria Lighting Co. Warranty Information

Service and Workmanship Warranty

Astoria Lighting Co. provides a 3-year warranty on all installation labor and warranty-related service work. This warranty covers the workmanship and service of the products we have installed. After the 3-year period expires, standard service fees will apply for labor, while materials will continue to be covered under their respective manufacturer warranties (see Product Warranties section below).

Service Warranty Coverage

- Initial installation labor
- Warranty-related service calls within the 3-year period
- Troubleshooting and diagnostics
- Standard equipment access and servicing

Service Warranty Exclusions

- Labor costs for special access installations requiring third-party contractors (e.g., crane operators, rappelling crews)
- Service calls after the 3-year warranty period
- Emergency or after-hours service calls

Limitation of Liability

Astoria Lighting Co.'s liability under this warranty is limited to:

1. The original purchase price of the product in question
2. The cost of labor during the warranty period

We shall not be liable for:

- Direct, incidental, or consequential damages
- Loss of use
- Loss of revenue
- Loss of profits
- Any damages beyond the original purchase price of the product

Warranty Exclusions

This warranty becomes void if damage or malfunction occurs due to:

Physical and Environmental Factors

- Accidental damage
- Construction or remodeling damage

- Environmental factors (air pollution, mold, mildew)
- Natural disasters (fire, lightning, hurricanes, earthquakes)
- Pest-related damage (e.g., rodents, insects)

Technical and Usage Factors

- Controller or WiFi connectivity issues due to:
 - Password changes
 - Internet service provider changes
 - Network configuration modifications
- Misuse or abuse of products
- Vandalism
- Unauthorized modifications
- Improper maintenance

Materials Warranty

All products installed by Astoria Lighting Co. are covered by their respective manufacturer warranties. These warranties vary by manufacturer and product. Detailed warranty information for specific products is provided separately in the Product Warranties section of this document.

This warranty gives you specific legal rights, and you may also have other rights which vary from state to state.

Product Warranties (For information only)

AMP Landscape Lighting:

AMP offers a "hassle-free" lifetime warranty on all brass fixtures, LED bulbs, and transformer cores and housings. AMP product is built to maintain optimal performance for a lifetime of outdoor use. Warranty claims are processed same-day (7 days-a-week), immediate action taken in most cases. Aluminum fixtures and components warranties range from 5 years to Lifetime.

Gemstone Lights Track Lights, Flood Lights and Opal Bulb:

Gemstone Lights provides a lifetime warranty for the lights. A lifetime warranty on the lights is defined by the manufacturer's testing which resulted in an estimated lifespan of 50,000 hours. When used 7 hours per day this equates to 20 years. The validity of the warranty on lights will not be affected by how long the lights are actually used. Gemstone Lights provides a 10-year warranty for all products and parts.
